Next Meeting FEBRUARY 18th 2011

IDLE THOUGHTS BY JOHN STARK

Not to much going on this month, we had a good meeting night though. I take the blame if the newsletter is a little late this month. My main computer is down and I have been busy not working. I was a little late getting this column together for Dave. I am composing this as I watch the Superbowl, so yeah I am a little behind. I am working on some models though so that is a plus.

Congratulations to our kit raffle winners for January, Bob Kern (twice), Dave Wood, and Chuck Rehberger. The KWR model factory made a good haul once again

CHRISTMAS CONTEST

Dave gave us an update on when the Hudson Hornet will be available, and as I get updates we will see how we are doing with the children and significant others contest for this year Christmas meeting. Again let me know if any members of your families are interested.

THEMES AND QUARTERLY CONTESTS

Dave and I have been working out some kinks in the themes and quarterly contests for this year. I think we have it all figured out now and they should be included somewhere in the newsletter, so look for them. We have included some swap meets in there also, so make note of them of bring some extra cash or maybe something to trade and support swap meet nights.

FUND RAISER

This information was forwarded to me by my friend Donna Jones, whose family had owned East Windsor Speedway, mark the date if you are interested.

On Sat. night Feb. 26th at 6pm The West Long Branch Fire Co. #1 will host a Fillimon Bros. Racing Movie/Video night as a fund raiser at Borough Chemical & Truck Co. #1, 379 Monmouth Rd. in West Long Branch NJ. This is about 3 blocks from my house and at the same firehouse that the Garden State Vintage Stock Car Club uses for it's monthly meetings.

Admission is \$10 which includes food and drink. Doors open at 4:30pm and the show starts at 6pm.

HEALTH AND WELFARE

Has anyone heard from Tommy Seip ? He had let us know at the November meeting that he was going in for surgery and no one has let us know how he is doing.

DUES REMINDER

Just a friendly reminder to get your yearly dues in. If we don't have them by the end of the March meeting you will no longer receive your newsletter and therefore will not be a member in good standing. Also, when you pay your yearly dues to Joe, make sure you see me immediately afterwards so you can get your 2011 membership card. There are shops out there who give us discounts when we show them the card, so take advantage, that's one of the benefits of being a member, once you pay- see me.

Remember to pay your monthly dues also, I don't like hunting guys down and reminding them on meeting night, I do it because I know sometimes guys forget.

AARN MOTORSPORTS SHOW

I could not make the motorsports show this year so hopefully someone can update us on how it went
