Next Meeting JANUARY 20th 2012
IDLE THOUGHTS BY JOHN STARK

Another great party in the books, 2011 is gone and now we look to 2012. So many models to build and the clock keeps on ticking. 16 pizza's, a sheet cake courtesy of Eddie and Maureen, massive amounts of soda, some coffee, M&M's thanks to Keith, chips, pretzels and all the other goodies that make for some healthy weight gain. Lots of good conversation, models and holiday cheer. Thanks to everyone who arrived early and helped set up, as well as to those who hung out at the end and helped clean up. Special thanks also go out to my wife. She is every where that night doing everything. She helps me shop for the deals on soda, chips, and everything else, she makes sure the chip bowls are always full and seems to do more running around that night than what I do. I could not do it without her that is for sure. Remember to thank the members of the Herbertsville First Aid Squad when you see them also. They provide us our meeting area as well as the downstairs for the party

TROPHY PRESENTATIONS: CONTEST SERIES

A lot of plaques were handed out Friday night, so lets recap them. The quarterly contest series had more than a handful of recipients this year, I will start with 5th place going to John White, a 4th place tie with Doug Van Houten and Felix Plaza Jr. getting plaques, a 3rd place tie with awards going to Chuck Rehberger and Stash Serzin, 2nd place going to Dave Wood and 1st place going to Tory Mucaro.

TROPHY PRESENTATIONS: CHRISTMAS KITBASH CONTEST SERIES

Congratulations to our kitbash series winners for 2011. there were many fine builds on the table, the Christmas theme seemed to work out for all involved. I was very impressed with all the quality builds on the table, but only three can be award winners. They are as follows in 3rd place Ed Isnardi, 2nd place Nick Marcigliano, and 1st place Tory Mucaro.

All the award winners had out standing models on the table, and the voting was very tight. Thanks to all who participated, it is your models that make the night a success.

I would also like to take this time to thank Vanessa Kern for bringing her model out and putting it on the display table. It is great to see our young modelers building and displaying at the meetings, and seeing our adult builders appreciate the work done by our younger builders. Keep up the good work Vanessa.

I also wanted to mention the two Appreciation awards that were handed out. It was my idea to recognize two men who have been there from the beginning and have for the most part been to every meeting that we have had. Dave Burket is a founder of the club and a big part of our hobby, and Keith Justice has always been there also. He is always there when he is needed and never says no to anything that he has ever been asked to do. He has done shows with us, we volunteered him into the Sgt at arms position, handles the kit raffle tickets, all with a smile and a great attitude. It is a real pleasure to have both of these men in the club, and we are a better club because of them.

DUES TIME

I know I sound and read like a broken record but it that time again. Yearly dues. See Joe at the meeting and make sure you get paid up for 2012

UPDATE

I know you are all wondering where John Farmer has been, as have I. I got an e-mail from him on Dec. 26th and he wrote that he is living in Sierra Vista, Arizona now, and working at Ft. Hauchuca. He is going to update me later.

I hope everything works out for him there. He is asking if I know of any clubs out that way, but he also wants to stay a member in our club.

That's all I have for now, I will leave the rest to Dave to fill in. We should have the themes and quarterly contests in this issue. So start building, and remember IT'S ONLY A HOBBY, KEEP IT FUN. Happy New Years to all of you.

BIG SIT

The Big Sit is set for February 25, 2012. It will be at Mainline Hobbies now located in the Plymouth Meeting Mall, 500 W Germantown Pike #2085 Plymouth Meeting PA from 10:30 AM until,,,,,,,,
