Next Meeting JUNE 17th 2011

IDLE THOUGHTS BY JOHN STARK

Sorry I missed the last meeting but it sounds like everyone had a good time. It looks like we had at least a dozen entries in the showroom stock contest, that is great. Congratulations to all who entered and to all those who placed in the voting, 1st John White, 2nd Felix Plaza Jr., 3rd a three way tie between Dave Wood, Dave Coppolino and Stash Serzin with the Wild Card going to Tory Mucaro.

If the newsletter is a little late it is my bad. I didn't get a chance to type anything up until after the NHRA Supernationals. I was out there all 4 days and saw some great racing. It was also a pretty safe weekend for all participants, a little windy at times, but Tommy Kortman must not have been there because we didn't have any rain issues.

MEMBER NEWS

Please keep Doug Vanhouten in your prayers he suffered a heart attack on friday night and is in Overlook hospital.

KIT RAFFLE

Congratulations also go out to our monthly kit raffle winners, Tommy Seip, Dave Wood and Carl Simeone

I was told we did have a slight issue with the kit raffle that I want to clear up now and I will repeat at the meeting. We

thought we were doing a good thing bumping up the clubs contribution to \$15.00 towards a kit. If the kit is less than 15, you do not pocket the difference nor do we pay out above the 15 dollars, that would be up to you if you chose a more expensive kit. The kit raffle is just that, it is not a lottery with a \$15.00 cash prize, if there is nothing that you want or need that night the money gets kicked back to the club, if there is a special reason i.e. the King is not there or something else, you talk to me or another one of the elected officers and we may extend it ONE MONTH. With it being swap meet night there was no real reason to hand out cash. If you get a month extension and still do not pick up a kit the money goes back in the club funds, no exceptions.

DUES MONEY

Another issue that was brought to my attention was some guys are not paying their monthly dues. Come on guys it is only \$2.00 a month. If you are having money issues talk to me we can work it out. I have 5 names from last months meeting, who attended, participated but did not pay. I will see you eventually, but please do not make me call out names at the meeting to remind you to pay, it isn't fair to those club members who do.

I check off on my list all those who attend, I have not been matching it up to Joe's computer sheet,(neither of which Dave had at the last meeting) but I will start now. Please make it a point to pay you dues, remember that is what supports our Christmas meeting.

I hate to be a whiner, but I also, would like for things to run smoothly for the guys when I am not there, it should be a fun night for everyone. So thanks for letting me bitch a little.
