**IDLE THOUGHTS BY JOHN STARK**

The weather is getting nicer, a little wet but at least it ain't snow. That means we find other thing that get in the way of our building time, but we seem to muddle through it and still get some things built.

**JSMCC ON LINE**

We have been talking on the message board about some type of online build contest, what are your thoughts, for or against. Sign up for the message board and join the rest of us, there is always something interesting going on, and it is a real good way to communicate with other members, at any time. Visit us on facebook also, I set up a page for us there also,

**SHOWS AND DISPLAYS**

It is also display season, with Raceway Park, Monmouth county fair and other things that just sort of pop up. NNL and Mosquito-con are now done for this year, as you may have heard the Mid- Atlantic NNL put on by our friends the MAMA's has been canceled for this year, so we still have Toledo, LIARS and a host of others.

**PAT ON THE BACK**

Congratulations to our friend from the Philly club and part time Jersey Shore member Tommy Kortman for his award winning build at the 25th NNL and also congratulation go out to another friend of the club Mr. Ken Hamilton for his award winning build. Thanks to all the members of the Tri-State Scale Model Car Club for putting on another fantastic show.

Bring in some of your good buys from the vendors let others see the deals you got, that is always fun.

Congratulations also go out to Chuck Rehberger, Jerry Hughson, Todd McWilliams, Tory Mucaro and Myself for taking home awards from Mosquito-con XX.

**Congrats to Dave Wood and Chuck Rehberger, who have models pictured in the LIARS section of the new Model Cars 2010 contest issue and also to Tommy Kortman, Greg Hogg, Nick Sandone and Mike Capasso for having pictures of their models from the NNL on Scale Auto's website**

**If at any time any member has something they wish to put into, or share with other club members through the newsletter, please feel free to type it up and e-mail it to Dave for inclusion.
